

Small and big ones like „Duplos“  
(Legos)

Children are a heritage of the Lord.

Psalm 127:3

Older siblings are responsible for  
their younger siblings.

Dear friends and family members,

again and again I will be happy about the shining eyes and the laughing of the children here at Kapkuikui. Children are really a heritage of the Lord... they can impress their happiness in an amazing way. If you look at their eyes you get to know what is in the heart of a child... but not only joy, also the tears and the sadness you can see in their faces, because children are very honest and that is wonderful. Therefore we like to work among children. ☺

A boy of the dancing group

Meanwhile we feel at home at Kapkuikui... everything is tidied up... still a few things are missing, but we can only get those things when we will have a car... meanwhile we note that the support we got for the new car is not enough to buy a car which is under 20 years and doesn't need a lot of repairs... We went to Nairobi and realized that still 4000€ are missing. Please think if you are able to help us here... because without a car many ministries we are not able to do... and you can not depend on the open means... sometimes you have to wait for more than two hours for a Matatu... and that is not working when you want to do a ministry... and taxis are very expensive also... a trip to Timberewe (20km) cost almost 60€, therefore we are not able to visit this church for the moment even when it is in our church district... and that's a pity... Please pray for a good and cheap car as soon as possible...

Some dancers at the \*\*\*\*\* hotel.

Robert has started with a dancing group with now 27 children and youngsters. They practice twice a week and in the last weeks their ministry was amazing: an Open Air Service at Chelaba, dancing at a Christian congress for youngsters at a Secondary School here, dancing at a 5 Star Hotel... and coming Sunday at another church. The children and youngsters are very serious.... If you want to see them dancing look at youtube or our blog and you will find some of their dances ... For Robert it is very important, that the dancers are involved also in the worship and that they are singing and dancing for God's glory.

Meanwhile Dani's drama group was on stage for the first time. Together with Sally, a local teacher, we are practising the dramas in the Kalengjin- language which is a great challenge for me ... ☺

On last Sunday we were on stage for the first time at the AIC Kapkuikui. We were playing the story of the "Prodigal Son". The idea is later on to do the drama also when we are on outreach. Therefore we are looking for evangelistic dramas...

Our „little pigs“ during our  
practise...

Because of our transport problem till now we were only at the Primary School here at Kapkuikui... On Thursday afternoons we are allowed to speak with all pupils from standard 4 to 8 about God.... Robert is teaching the classes 4 and 5 in Kiswahili and Dani the classes 6 to 8 in English. Robert spoke about the life of Josef, while Dani is telling mission stories ... at the moment we are speaking about Hudson Taylor and his example in faith...

Robert is teaching the lower classes.

Dani is teaching the upper classes.

On Friday mornings we are responsible for all pupils for 35 minutes ... Robert is evangelizing the classes 1 to 4 and Dani the classes 5 to 8. Here Robert speaks about the life of Daniel and Dani about the parables of Christ. The children like the „stories“ and are very open ... The older ones like to sing a lot. The youngsters really enjoy the English worship songs. Please pray for this ministry that the pupils will start to trust in the Lord and will give their lives to Jesus...

During the week we have a lot of visitors... The children are coming to play some games with Dani. Others are coming to have fellowship with Robert or just to talk... From time to time we are cooking or baking together... When they get some time even a few youngsters are coming to greet and to visit us... sometimes they are even staying over night... That is a great possibility to build up relationships to the children and youngsters...

All children like this funny swing...

Movie evenings at AIC Kapkuikui

Because of a gift we were able to buy a projector... and now at the weekend we are showing Biblical movies like Noah, David, Salomon and others... There are between 70 and 100 visitors on each evening. A few of them are people from the village who are normally not attending church. They are coming to get a "Cinema for free". Please pray for those people that God may touch their hearts through the movies and that they get some interest about God and His word...

Thank you for all your prayers and support ... only because of you we are able to do our ministry here ... to God's glory...

Greetings and blessings,

Robert & Dani
